I loved working with Rafael, I would 100% work with him again. He was super great at always having good communication throughout our whole team. He put in his fair share and even helped me stay on top of what I needed to do and not procrastinate! He was super understanding as well as being just an overall good guy to talk with, as he's not overly professional, but also wasn't by any means unprofessional either. He has a great mix of someone who you would want to get work done with!
