Write a brief paragraph(s) that highlights strengths and, if applicable, offers constructive feedback.

Keep the tone respectful and focus on the outcome (what was done), not personality. Consider using AI to ensure that the recipient receives the peer review in a positive and productive manner, even if constructive feedback is required.

Williams was a solid partner and was super helpful with the project setup and figuring things out along the way. He pulled his weight and stayed positive even when things got a little stressful. Overall, he made the project smoother.
